Karooooo to Participate in Upcoming Investor Conferences

November 19, 2026 at 8:38 AM EST

SINGAPORE--(BUSINESS WIRE)--Nov. 19, 2026-- Karooooo (KARO), a leading global provider of operational intelligence solutions and parent company of Cartrack, today announced that members of its executive team will participate in fireside chats at two upcoming investor conferences:

- 30th Annual UBS Global Technology Conference in Scottsdale, Arizona - Carmen Calisto, Group Chief Strategy and Marketing Officer will participate in a fireside chat on Wednesday, December 2, at 4:15 p.m. ET.
- Raymond James TMT and Consumer Conference in New York - Zak Calisto, Group Chief Executive Officer, will participate in a fireside chat on Monday, December 7, at 3:00 p.m. ET.

Live webcasts of both fireside chats will be available in the Events and Presentations section of Karooooo's Investor Relations website at karooooo.com.

About Karooooo

Karooooo digitally transforms physical operations by simplifying decision making. Its Operational Intelligence Platform serves as the central nervous system for connected operations, integrating vehicles, assets, field workforces and operational workflows into a single intelligent ecosystem. Through proprietary hardware technology and software, the platform captures, processes and analyzes real-world operational data, transforming billions of data points into actionable intelligence that helps customers make faster, better decisions across safety, productivity, compliance, cost control and service execution. Delivered through intuitive cloud-based applications, the platform combines operational visibility, workflow automation, AI-powered video intelligence and decision-support capabilities to help businesses improve performance, reduce risk and operate more efficiently.

Karooooo is headquartered in Singapore and services more than 125,000 commercial customers and more than 2.9 million active subscribers in more than 20 countries.
